Hello Bob.

I've been away from my desk for most of the day and have just read your e-mail from yesterday. I will compile the DEQ participants comments and route them to Carl by the end of next week, and would ask EPA's participants to have the same goal.

I'd like to have the compiled comments incorporated into the meeting notes, and the notes routed early the week beginning December 8<sup>th</sup>.

Let me know if you have questions regarding this e-mail.

Hi Dana,

I wanted to follow up quickly and let you (and all of the recipients of the email) know that these are the DRAFT minutes that Carl was asked to prepare. As we agreed at the meeting, all attendees are encouraged to review and provide comments on the document. The objective is to get a record of the meeting discussions and decisions that all attendees agree to. Dana, would you like to coordinate compilation of comments, or would you prefer for my team to do it?

Thank you,

Bob
